## WHAT'S ON TV?

There's more than one way to see what's showing on TV.

**Info Button**  
Press **INFO** and you will see the name and a description of the current program at the top of the screen.

**OK Button**  
Press **OK** to show the **Now Playing** bar and you will see what program is currently playing.

**Guide Button**  
This is the most comprehensive view of what's on. Go ahead and page through... you're bound to find something you want to watch.

**Right Arrow Browse Button**  
Press the **Right Arrow** to view the channel you are currently watching. At the bottom of the screen, the **Info Bar** shows you the channel number, channel name, time the program airs, a progress bar, and the program that airs next.
